Dear Members & Friends of MAG:

After careful consideration, the Fall Outing Committee has decided that the 2009 Fall Outing will not take place in Destin this year.

The committee made a few phone calls to determine interest in moving forward with the event, and it is evident that, while we would all like to go to Destin, it just isn't economically feasible. We are all very aware of the current economic climate and are sensitive to each company's situation, so we had to make the prudent decision to cancel.

In lieu of a Fall Outing, we would like to plan a local golf tournament followed by a dinner meeting, so that all members can be included, and we can have an informal gathering. We would really like to know your thoughts about this.

If you are interested in participating in a fall golf tournament (probably the first week of October), please contact Kami Rogers at (770) 317-6069, Jeff Therrien at (770) 987-4750 x20 or the association office at (770) 271-8250.

Sincerely,

Michèle R. Huber
Executive Director
